Re: United States v. Caracappa
Case No. 10-679

Dear Judge Wigenton:

I represent Jason Caracappa, who was sentenced to 48 months imprisonment by Your Honor on April 19, 2012. He has been moved to the Metropolitan Detention Center in Brooklyn ("MDC"), where he is awaiting designation by the Bureau of Prisons.

Mr. Caracappa's family has retained the services of the National Center on Institutions and Alternatives (NCIA) to consult with Mr. Caracappa regarding his post-sentencing options. Mr. Caracappa has requested that NCIA representative Kathleen O'Boyle visit him at the MDC. As per MDC regulations, Ms. O'Boyle, who is a forensic social worker and a post-sentencing specialist, needs a judicial order and defense counsel's permission before a legal visit can be approved. She is already on the MDC's approved list for prisoner visitations. I respectfully request Your Honor's approval for Ms. O'Boyle to visit my client, Jason Caracappa, at the MDC.

If this request is agreeable, may I impose upon Your Honor to endorse this letter and return a copy to me via the ECF system. If Your Honor requires further information, I will promptly respond.

Thank you for your anticipated attention to this matter.

Respectfully yours,

/s/ Robert J. Fettweis
